

The background features a dynamic composition of blue and white geometric shapes. A large blue triangle occupies the upper left, while a white triangle is in the upper right. The lower half is a white area with a series of parallel, slightly curved lines sloping upwards from left to right. Scattered throughout the blue area are several small, gold-colored triangles of varying sizes, some pointing up and some down.

HAWKINS STREET SCHOOL

ON THE FUTURE

by Tashawn

Dedication

We the 1989 graduates of Hawkins Street School would like to dedicate the fifth edition of our yearbook "Positive Visions" to Hawkins Street School for one hundred years of academic excellence.

In dedicating this yearbook to Hawkins Street School, we reflect on the memorable years of hard work and determination to succeed. The guidance, versatility and professionalism of the administrators and staff has given us positive insights that will enhance our future endeavors.

As we strive to succeed, "Positive Visions" will remind us of our Alma Mater. We will always remember:

- That special teacher who took time to give us guidance in a loving way.
- Performing on stage in a play, an assembly program or a talent show with much anxiety and stagefright, hoping we would remember our lines.
- Our first writing assignments using ink pens.
- Classroom Christmas Parties.
- Having a crush on the substitute teacher.
- Friendships that we will cherish.

As we dedicate our yearbook, we would be remiss if we did not acknowledge, thank and express our gratitude to the administrators, staff and parents for their encouragement and continued support in allowing us to accomplish rewarding experiences and fond memories of our years at Hawkins Street School.

As a result of our experiences, we have the ability to become more aware of ourselves and the maturity to "Focus on the Future".

Affectionately,
The Class of 1989

GRADUATES FAREWELL SONG

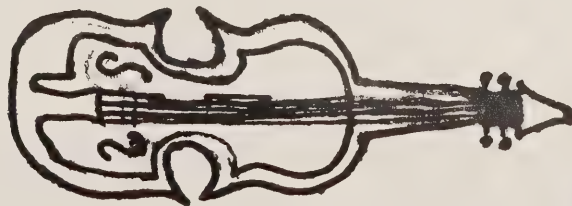

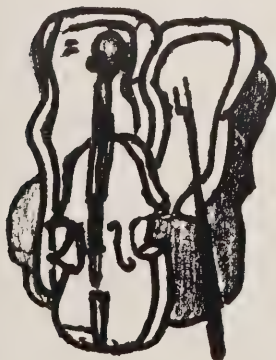

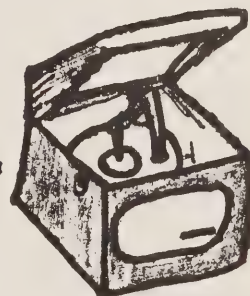

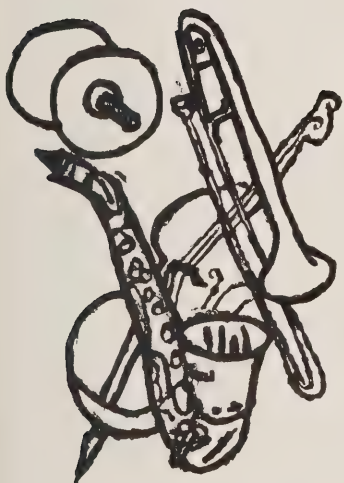

To Dear Hawkins Street we love so dear
Farewell time has now appeared
With memories to last us through the years
And all to soon, Its graduation day
Good-bye Alma Mater, It is time to say farewell
To the teachers and our friends,
Our memories will cling

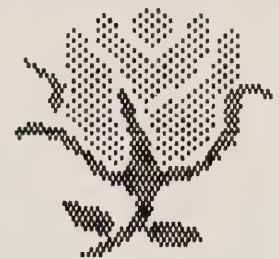

But this you should know we'll miss you so,
We'll always keep you in our hearts,
But now it's time for us to part
Our ever lasting Alma Mater

To dear Hawkins Street we love so dear
Farewell time has now appeared
Here we stand with mixed emotions
And memories that cling
Together now we lift our voices and sing
Farewell dear Hawkins Street
Farewell Alma Mater
Farewell, Farewell!!!
